The Dividend Warrants shall be despatched within 30 days of the declaration of the dividend. The AMC reserves the right to change the record date from time to time. Scheme(s) specific Risk factors

Risk factors associated with investing in Fixed Income Securities

- The Net Asset Value (NAV) of the Scheme(s), to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.
- Money market securities, while fairly liquid, lack a well developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
- Investment in Debt Securities are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.
- Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However,

Information Common to Schemes (as applicable) (contd...)

Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.

- Different types of fixed income securities in which the Scheme(s) would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risky than bonds, which are AA rated.
- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.
- As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.
- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.
- The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

The Risks involved in Securitised Papers described below are the principal ones and does not represent that the statement of risks set out hereunder is exhaustive.

Risk factors associated with investing in Securitised Debt

Risk factors associated with investing in Securitised Debt summarized below.

- Limited Liquidity & Price Risk
- Limited Recourse, Delinquency and Credit Risk
- Risks due to possible prepayments and Charge Offs
- Bankruptcy of the Swap Bank
- Risk of Co-mingling

Please refer the Scheme Information Document(s) (SID) of the respective Schemes for details.

Risk factors associated with investing in Foreign Securities (Except HDFC Gilt Fund)

• Currency Risk:

Moving from Indian Rupee (INR) to any other currency entails currency risk. To the extent that the assets of the Scheme(s) will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.

• Interest Rate Risk:

The pace and movement of interest rate cycles of various countries, though loosely co-related, can differ significantly. Hence by investing in securities of countries other than India, the Scheme(s) stand exposed to their interest rate cycles.

• Credit Risk:

This is substantially reduced since the SEBI (Mutual Funds) Regulations, 1996 stipulate investments only in debt instruments with rating not below investment grade by accredited/registered credit rating agency.

To manage risks associated with foreign currency and interest rate exposure, the Mutual Fund may use derivatives for efficient portfolio management including hedging and in accordance with conditions as may be stipulated by SEBI / RBI from time to time.

Risk factors associated with Securities Lending

As with other modes of extensions of credit, there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary.

Risk factors associated with investing in Derivatives (Except HDFC Gilt Fund)

- The AMC, on behalf of the Scheme(s) may use various derivative products, from time to time, in an attempt to protect the value of the portfolio and enhance Unit holders' interest. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Other risks include, the risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk Factors Specific to HDFC Floating Rate Income Fund

Basis Risk:

As the Scheme will invest in floating rate instruments, the Scheme could be exposed to the interest rate risk (a) to the extent of time gap in resetting of the benchmark rates and (b) to the extent the benchmark index fails to capture the interest rate movement.

Settlement Risk:

In the case of swapping a fixed rate return for a floating return, there may be an additional risk of counter party who will pay floating rate return and receive fixed rate return.

Liquidity Risk:

Due to the evolving nature of floating rate market, there may be an increased risk of liquidity risk in the portfolio from time to time.

Benchmark Risk:

The floating rate segment of the domestic debt market is in a nascent stage. As the floating rate segment develops further, more benchmarks for floating papers may be available in future. The fewer number of benchmarks currently present could reduce the choice of an appropriate benchmark for certain instruments.

Interest Rate Risk:

Floating rate debt instruments, on account of periodical interest rate reset, carry a lower interest rate risk as compared to fixed rate debt instruments. Consequently, in a downward interest rate scenario the returns on floating rate debt instruments may not be better than those on fixed rate debt instruments.

Unit holders who have opted to receive these documents by email will be required to download and print the documents after receiving e-mail from the Mutual Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

The Newsletter, shall be displayed at the website of the Mutual Fund. The Unit holders can request for a copy of the Newsletter by post / e-mail. The AMC would arrange to dispatch these documents to the concerned Unit holder.

8. Mode of Payment of Redemption / Dividend Proceeds-via Direct Credit / Neft / ECS

● Direct Credit

The AMC has entered into arrangements with eleven banks to facilitate direct credit of redemption and dividend proceeds (if any) into the bank account of the respective Unit holders maintained with any of these banks. These banks are: ABN AMRO Bank N.V., Axis Bank Ltd., Citibank N.A., Deutsche Bank AG, HDFC Bank Limited, The Hongkong and Shanghai Banking Corporation, ICICI Bank Limited, IDBI Bank Limited, Kotak Mahindra Bank Ltd., Standard Chartered Bank and YES Bank Limited. The list of banks is subject to change from time to time.

● National Electronic Funds Transfer (NEFT)

The AMC provides the facility of 'National Electronic Funds Transfer (NEFT)' offered by Reserve Bank of India(RBI), which aims to provide credit of redemption and dividend payouts (if any) directly into the bank account of the Unit holder maintained with the banks (participating in the NEFT System). Unit holders can check the list of banks participating in the NEFT System from the RBI website i.e. www.rbi.org.in or contact any of our Investor Service Centres.

However, in the event of the name of Unit holder's bank not appearing in the 'List of Banks participating in NEFT' updated on RBI website www.rbi.org.in, from time to time, the instructions of the Unit holder for remittance of redemption/ dividend (if any) proceeds via NEFT System will be discontinued by HDFC Mutual Fund / HDFC Asset Management Company Limited without prior notice to the Unit holder and the payouts of redemption / dividend (if any) proceeds shall be effected by sending the Unit holder(s) a cheque / demand draft.

For more details on NEFT or for frequently asked questions (FAQs) on NEFT, Unit holders are advised to visit the RBI website

* Formerly Savings Plus Plan

INSTRUCTIONS (contd...)

www.rbi.org.in / HDFC Mutual Fund website
www.hdfcfund.com

● Electronic Clearing Service (ECS)

Investors who have opted for the ECS facility of RBI for dividend payment will receive a direct credit of the amount due to them in their mandated account whenever the payment is made through ECS. A separate advice regarding credit of amount(s) via ECS will be sent to the unit holder. It should be noted that while the Mutual Fund will make all efforts, there is no commitment that this facility will be made available to all desirous investors.

Applicants in cities not covered under ECS facility will receive dividend payments, if any by cheques or demand drafts and the same will be mailed to the Unit holders. Please note that the ECS Facility is available only in respect of dividend payments and not in the case of Redemption of Units.

Therefore, the Investors will receive their redemption / dividend proceeds (if any) directly into their bank accounts in the following order:

- (i) In case the bank account of an investor is covered under Direct Credit facility then the payment of redemption / dividend proceeds (if any) will happen via direct credit payout mode only. Investors having these bank accounts will not receive payouts via NEFT/ECS*
- (ii) In case the bank account of an investor is not covered under Direct Credit facility but covered under NEFT system offered by the RBI then the payment of redemption / dividend proceeds (if any) shall be effected via NEFT mechanism only.
- (iii) The facility for payment of **dividend proceeds**, if any via ECS* shall be affected only in case the bank account of an investor is not covered under the Direct Credit facility or NEFT system.

* available only in respect of dividend payments.

Each of the above facilities aims to provide direct credit of the redemption proceeds and dividend payouts (if any) into the bank account (as furnished in Section 5 of the Application Form) of the Unit holder and eliminates the time lag between despatch of the cheque, its receipt by the Unit holders and the need to personally bank the instrument and await subsequent credit to the Unit holders account. Further, the potential risk of loss of instruments in transit through courier / post is also eliminated. Each of the said facility as a mode of payment, is faster, safer and reliable.

In case the bank account as communicated by the Unit holder is with any of the said banks with whom the AMC has entered into arrangements to facilitate such direct credits or with any of the banks participating in the NEFT System offered by RBI, the AMC shall automatically extend this facility to the Unit holders.

However, if the Unit holders are not keen on availing of any of the said facilities and prefer receiving cheques / demand drafts, Unit holders may indicate their intention in the Application Form in the space provided specifically. Further, SEBI vide its circular reference number ISD/CIR/RR/AML/1/06 dated January 18, 2006 mandated that all intermediaries including Mutual Funds should formulate and implement a proper policy framework as per the guidelines on anti money laundering measures and also to adopt a Know Your Customer (KYC) policy. The intermediaries may, according to their requirements specify additional disclosures to be made by clients for the purpose of identifying, monitoring and reporting incidents of money laundering and suspicious transactions undertaken by clients. SEBI also issued another circular reference no. ISD/CIR/RR/AML/ 2/06 dated March 20, 2006 advising all intermediaries to take necessary steps to ensure compliance with the requirement of section 12 of the Act inter-alia maintenance and preservation of records and reporting of information relating to cash and suspicious transactions to Financial Intelligence Unit-India (FIUIND), New Delhi.

The investor(s) should ensure that the amount invested in the scheme is through legitimate sources only and does not involve and is not designated for the purpose of any contravention or evasion of the provisions of the Income Tax Act, Prevention of Money Laundering Act, Prevention of Corruption Act and / or any other applicable law in force and also any laws enacted by the Government of India from time to time or any rules, regulations, notifications or directions issued thereunder.

To ensure appropriate identification of the investor(s) under its KYC policy and with a view to monitor transactions for the prevention of money laundering, HDFC Asset Management Company Limited ("the AMC") / HDFC Mutual Fund ("the Mutual Fund") reserves the right to seek information, record investor's telephonic calls and / or obtain and retain documentation for establishing the identity of the investor, proof of residence, source of funds, etc. It may re-verify identity and obtain any incomplete or additional information for this purpose.

14. Know Your Customer (KYC) Compliance

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted

the responsibility of collection of documents relating to identity and address of the investor(s) to an independent agency [presently CDSL Ventures Limited ("CVL")] which will act as central record keeping agency ("Central Agency"). As a token of having verified the identity and address of the investor(s) and for efficient retrieval of records, the Central Agency will issue a KYC Acknowledgement Letter (previously known as Mutual Fund Identification Number – MIN* Allotment Letter) to each investor who submits an application and the prescribed documents to the Central Agency.

Investors should note that it is mandatory for all applications for subscription of value of Rs.50,000/- and above to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application for subscription and attach proof of KYC Compliance viz. KYC Acknowledgement Letter (or the erstwhile Mutual Fund Identification Number* (MIN) Allotment Letter) / Printout of KYC Compliance Status downloaded from CVL website (www.cvlindia.com) using the PAN Number. Applicants intending to apply for units through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC Compliance Status and attach proof of KYC Compliance at the time of investment above the threshold.

The KYC status will be validated with the records of the Central Agency before allotting units. HDFC Mutual Fund will not be held responsible and /or liable for rejection of KYC Form, if any, by the Central Agency. Applications for subscriptions of value of Rs. 50,000 and above without a valid KYC compliance may be rejected. Provided further, where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Trustee / AMC shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

3. A single STP Enrolment Form can be filled for one Scheme/Plan/Option only.
4. Investors are advised to read the Scheme Information Document(s) and Statement of Additional Information of the Transferee Scheme(s) carefully before investing. The Scheme Information Document(s) and Statement of Additional Information/Key Information Memorandum(s) of the respective Scheme(s) and Statement of Additional Information are available with the ISCs of HDFC Mutual Fund, brokers/distributors and also displayed at the HDFC Mutual Fund website i.e. www.hdfcfund.com.
5. Unit holders should note that unit holders' details and mode of holding (single, jointly, anyone or survivor) in the Transferee Scheme will be as per the existing folio number in the Transferee Scheme. Units will be allotted under the same folio number.
6. STP offers unit holders the following two Plans:
- i. **Fixed Systematic Transfer Plan (FSTP)**
 - ii. **Capital Appreciation Systematic Transfer Plan (CASTP)**
- FSTP offers transfer facility at daily, weekly, monthly and quarterly intervals and CASTP offers transfer facility at monthly and quarterly intervals. Unit holder is free to opt for any of the Plans and also choose the frequency of such transfers.
7. a. Under the **FSTP - Daily Interval**, unit holders will be eligible to transfer a fixed amount (minimum Rs. 500 and in multiples of Rs. 100 thereafter for schemes other than HDFC Long Term Advantage Fund* and HDFC TaxSaver* and minimum Rs. 500 and in multiples of Rs. 500 thereafter for HDFC TaxSaver* and HDFC Long Term Advantage Fund*) on every Business Day. In case there is no minimum amount (as specified above) available in the unit holder's account, the residual amount will be transferred to the Transferee Scheme and account will be closed.
- b. Under the **FSTP - Weekly Interval**, unit holders will be eligible to transfer a fixed amount (minimum Rs. 1,000 and in multiples of Rs. 100 thereafter for schemes other than HDFC Long Term Advantage Fund* and HDFC TaxSaver* and minimum Rs. 500 and in multiples of Rs. 500 thereafter for HDFC TaxSaver* and HDFC Long Term Advantage Fund*) on every Friday (if Friday is a Non-Business Day, then the immediate next Business Day). In case there is no minimum amount (as specified above) available in the unit holder's account, the residual amount will be transferred to the Transferee Scheme and account will be closed.
- c. Under the **FSTP - Monthly Interval**, unit holders will be eligible to transfer a fixed amount (minimum Rs. 1,000 and in multiples of Rs. 100 thereafter for schemes other than HDFC TaxSaver* and HDFC Long Term Advantage Fund* and minimum Rs. 500 and in multiples of Rs. 500 thereafter for HDFC TaxSaver* and HDFC Long Term Advantage Fund*) on the 1st, 5th, 10th, 15th, 20th or 25th of each month.
- d. Under the **FSTP - Quarterly Interval**, unit holders will be eligible to transfer a fixed amount (minimum Rs. 3,000 and in multiples of Rs. 100 thereafter for schemes other than HDFC TaxSaver* and HDFC Long Term Advantage Fund* and minimum Rs. 500 and in multiples of Rs. 500 thereafter for HDFC TaxSaver* and HDFC Long Term Advantage Fund*) on the 1st, 5th, 10th, 15th,

20th or 25th of the first month of each quarter. Unit holders should be aware that if they decide to take up this facility, there is possibility of erosion of capital e.g. If the unit holder decides to withdraw Rs. 3,000 every quarter and the appreciation is Rs. 2,500, then such redemption proceeds will comprise of Rs. 2,500 from the capital appreciation and Rs. 500 from the unit holder's capital amount.

The beginning of the quarter could be of any month e.g. April, August, October, November, etc. Please note that no transfers will take place if there is no minimum capital appreciation amount (except for last transfer leading to closure of account).
